

FWM-2X-N4D

Building Entrance Enclosure

Product Description

The Multilink FWM-2X-N4D is an outdoor rated NEMA 4 wall mount fiber distribution enclosure. The enclosure is designed for environments where durability, security, and weather resistance is required. The enclosure is manufactured out of aluminum and coated with polyester powder coat paint for corrosion resistance. The Network compartment has a removable and lockable internal door with capacity for (2) Splice Trays, cable management, and (2) cable entry points. The Subscriber compartment has capacity for (2) Adapter Panels, cable management, and (2) cable entry points. The outer door is removable and pad-lockable. Enclosure also includes (2) Cable Strain Relief kits, (1) Danger "Laser" Sticker, and blank labels.
